**REPORT OF THE SUPERINTENDENT  
OF SCHOOLS****To the Members of the Stark School Board:**

I hereby submit for your consideration my eleventh annual report of the Stark schools.

At the close of the school year 1943-1944, we lost two of our teachers: viz., Mrs. Esther Aldrich Moreau, teacher at Percy school, and Mrs. Lena J. Rich, teacher at Crystal school. Late in the summer, Urania H. House was secured to teach at Percy and Mrs. Maud E. Sanderson at Crystal. Both teachers are doing very well although it has been some time since their previous teaching experience. The teachers at the Village schools are the same as last year: viz., Mrs. Alice E. McHarg, grammar room, and Miss Florence Deegan, primary room.

The following eleven pupils completed the work of the eighth grade: Donald J. Croteau, Harvey F. Hickey, Glen E. Miles, Jr., Doris M. B. Martin, Claude L. Martin, Marilyn V. Rogers, Elbert G. Scott, Jr., Roma B. Maguire, Dorothy A. Hand, Marcia Gadwah, and Zanita Pepau. Of these, eight entered high school in September.

The eleven pupils with perfect attendance for 1943-1944 are as follows: Homer Frizzell, Richard Hickey, Claud Martin, Doris Martin, Victorine Stuart, Albert Frizzell, Patricia Deering, Beverly Miles, Marcia Gadwah, Zanita Pepau, and George N. McKinnon.

The school census taken during September 1944 listed sixty-five pupils in town between the ages of five and sixteen. Of this number sixty-two were reported in school and three (fourteen to sixteen) had completed the work of eighth grade but did not enter high school. On September 30th, forty-nine children were registered in our local schools. We have twenty pupils attending high school this year—sixteen in Groveton, three in Lancaster, and one in Berlin. One elementary pupil is attending school in Groveton.

The health examination and follow up work was done by Miss Florence Wheeler, R. N., as in the past. Miss Wheeler's report showed ten with defective vision, thirty-six with defective teeth, and two with defective breathing. Six of those reported with defective teeth have been corrected and one tonsil case has been corrected.

Electric lights have been installed in the Village school house. The lights are much appreciated by the persons who are obliged to occupy the rooms in dark days.

The transportation of pupils from the Emerson and Blake districts has been done by Mrs. Roxa Kiser. She is transporting twelve pupils. Mrs. George Nelson transports one pupil to Groveton elementary school, and J. W. Emery transports one pupil to the Percy school.

From last year's registers, we gleaned the following data: Total number of pupils registered in town was 69; per cent of attendance was 94.11; 65 tardy marks were recorded; the school board members made one visit to the schools; the superintendent was credited with 110 visits; citizens with twenty-one visits; six school board meetings were held; and 13 pupils were transported at the expense of the district.

For the most part, assistance has been rendered by the superintendent at the time of his visits and conferences with the teachers.

The schools at Percy and Crystal are growing smaller each year. It may be advisable sometime to consider transporting these pupils to the village where there is ample room at present.

The work in the schools has been generally successful due to the cooperation of all concerned.

Respectfully submitted,

ALONZO J. KNOWLTON,

Superintendent.

# Another Enemy To Conquer !

Here is a home front fight that everyone can get into. Last year in this State 558 brush and forest fires burned over 4,648 acres of land, of which 2,788 acres were valuable timber and young growth. With available manpower the lowest of any year since the war started, you can help to keep this loss down by preventing these fires from starting.

Keep in mind these simple rules:

1. Always get a permit from your forest fire warden before starting any fires in the open. Burning under certain conditions is permitted.
2. Never burn unless you have enough help to control your fire—a permit does not excuse you of negligence in case it gets away.
3. Always report any uncontrolled fire promptly to your forest fire warden. Minutes lost are acres lost.
4. Be especially careful with cigarettes, matches and pipes. Smokers caused most of our fires.
5. Never leave a fire unless it is dead out. You can't feel safe while there is a spark left.
